

A Weekend Update from Holland Moor- July 12 2024

Welcome and some technical information

Welcome to Newsletter - number 41 of the current school year. All previous newsletters can be found on our school website www.holland.lancsnafl.ac.uk

A Message from Our Sponsor

I hope our families enjoyed reading the very detailed individual pupil reports we distributed yesterday. I am sure parents and carers appreciate the amount of work that teaching staff put into producing these very personal documents. Although it took me a very long time I read each one and was delighted to see successes and highlights celebrated so directly.

Mr Beale's Highlight of the Week

It was a joy to be present at the dress rehearsal of the Year 6 Summer play this morning. The cast have clearly worked very hard to learn their lines and memorise the lyrics to the songs. I am absolutely certain the audience will enjoy the production when they take their seats on Monday or Tuesday evening.

Geography

We are looking forward to our special geography afternoon on Monday when we'll be splitting classes and older children will be teaching the subject to their new younger classmates. I'm looking forward to seeing their teaching skills in action.

School Clubs

As next week is the last week of term there will be no clubs. Clubs will start again next term on September 9th

Class of the Week-This Week It's Class RB

What a week for team building and cooperation! RB used a rectangular model and imaginatively transformed it into a dance floor. With party music playing, they danced, laughed, hugged and had lots of fun.

Sports Awards Evening on July 11

What a truly amazing evening we all had on Thursday as children and guests gathered together to celebrate another year of sport at Holland Moor. Many, many congratulations to all the 176 children who have represented Holland Moor in competitions and tournaments this academic year. Our special congratulations to the 10 special award winners and our sportsperson of the year Mero Waugh.
