

A Weekend Update from Holland Moor-September 13 2024

Welcome and some technical information

Welcome to Newsletter - number 03 of the current school year. All previous newsletters can be found on our school website www.holland.lancsngfl.ac.uk

A Message from Our Sponsor

It has been great to see our school clubs back on this week. Offering fourteen clubs this term is something we are rightly proud of. Clubs were well-attended and it is very helpful that we can still use the school hall for clubs. I very much enjoyed supervising chess club this week but didn't dare play any club members as they are way too good for me. I was also pleased to see 28 pupils at the school choir and over *** children at dodgeball. Fantastic!

Mr Beale's Highlight of the Week

I've always been very proud of our nursery provision but never prouder than at the moment. I've spent quite a lot of time in both nursery classes this week and the children are an absolute joy to be with. When you work with very young children you notice their progress and achievements so readily – sometimes on a daily basis. It's exceptionally professionally rewarding.

Y6 SATS – 2025

Monday May 12 to Thursday May 15 – please do not book any holidays! We want another year of very high scores.

P.S.H.E

As part of our subscription to SCARF their specialist teacher visits us each year. This week Sophie Kitson has been with us for all five days, teaching each class. Sophie covered subjects such as It's Great to Be Me, Meet the Brain and Taking Care of Myself.

Energy Monitors

We now have brand new energy monitors in each class. It is their responsibility to turn off the lights, projectors etc. when they are not needed or when the room is empty. Last year we made significant savings due to the diligence and determination of the energy team. I hope this new team do as well!

School Councillors

Each KS2 class now has their own school councillor – 8 councillors in total. The council will meet for the first time this week and we'll elect a secretary who can provide some written feedback for the next newsletter. Two of the councillors will also represent Holland Moor in the Skelmersdale Pupil Parliament.

Class of the Week. This week it's Class 6S

The children in Class 6S made a fantastic start to the academic year and have been working extremely hard. In a biology lesson on the circulatory system, they produced a fantastic set of labelled diagrams depicting the blood vessels (veins, arteries and capillaries). The work created by the children was stunning and they all should be very proud of themselves.

Our Ninja Words of the Week for Week Beginning September 09

Our words are survey, fury, steep, nurture and nerves

We'll be revising the words February, science and evidence.

Reception Year Words of the Week for Week Beginning September 16

Linked to our theme	harvest
---------------------	---------

Linked to our phonics sound	sound
An object /objects	scarecrow
An action	flutter
A feeling	love

PE Information

One change – Class 1C have PE on a Friday

School Clubs

Two changes – Dance club has had to move to a MONDAY as the pasta activity team use our hall on a Tuesday. Dance club is now open to year three, year four, year five and year six.

Mindfulness club is now open to children from year four, year five and year six

Attendance.

Our attendance was a better than admirable 97.5%. Please, please, please maintain this above national averages attendance score.

Punctuality – Lateness

Please remember that learning begins in classrooms from 08.30 with the register closing at 08.50. Children should not be late for school at all (after 08.50) – except in genuine emergencies and then we need to be informed about the reason. Arriving at school in good time ensures that children are ready to learn and feel calm about the beginning of the day. Lateness can also be very disruptive to other children in the class. From next week, we'll text you if your child is more than a few minutes late for school.

Sports at Holland Moor

The Holland Moor football team (a mixed boys/girls team) played a friendly match against St Thomas's on Thursday. This was our first match of the season. The team played a delightful

passing game and followed the coached plan wonderfully well. They showed their quality in a 10-1 win over our local rivals.

Dates

Wednesday October 02	Year 6 team to a Maths Challenge at Lathom High School.
Thursday October 10	Choir Concert
Tuesday October 15	Consultation Evening
Wednesday October 16	Consultation Evening
