A Message from Our Sponsor

I'm beginning to have that impending sense of Christmas looming. We have the grotto, the raffle, Christmas plays, Christmas songs, Christmas dinner and Christmas parties. There will also be some special geography lessons looking at the different ways Christmas is celebrated around the world. Each class will experience a Christmas celebration they have never tried before! Of course, in amongst the fun there will be plenty of traditional lessons too.

Mr Beale's Highlight of the Week

It was great to be in RK on Thursday morning. The children are learning their phonics so very well. I saw them blending, segmenting and rhyming but most impressive was their ability to recognise and read those red words that are not phonically regular. They worked solidly for nearly an hour with great focus and a wonderful attitude to learning and sharing their successes.

School Choir

Our school choir, poets and instrumentalists are really looking forward to performing in the school concert next Wednesday. They have practised very hard and are very excited about their chance to showcase their skills.

Children in Need

Children in the reception classes loved participating in the very challenging Bikeathon. They pedalled many miles in total and were pleasantly exhausted by the end of the session

In KS1 our children took part in many exciting Children in Need activities, including a fun-filled Danceathon Challenge. The children danced to 10 different songs spread out through the day, showcasing their energy and enthusiasm. Each song brought smiles and laughter, helping to raise awareness and support for a great cause.

A great time was had by all of the children in Year 3 and Year 4. The children in Year 3 wrote a collaborative friendship poem with a learning partner from the other class in the year group. Both classes also worked together to fill a bucket with compliments and kind deeds. The children in Year 4 were challenged to create a picture using only what they could find on the floor in the woodland area. They went on a nature trail in the school gardens to collect a range of resources. When they returned to class they produced a whole variety of nature inspired art; we even had a Pudsey and Blush creation!

The Year 5 and Year 6 classes enjoyed a variety of activities including a Hula Hoop and Keepie-Uppie challenge, a special bingo challenge and some spotty art work using the art technique of pointillism.

There will be lots of photographs on Facebook including the activities

Anti-Bullying Week

As part of anti-bullying week, the Year 5 and Year 6 children learnt about different types of bullying and what to do in certain bullying situations. The children also watched a dramatisation following the story of a teenage girl who is being bullied. The production reinforced what the children had learnt during their PSHE lesson and also enabled the children to understand what could make someone act in a negative way towards their peers.

Christmas Raffle

Tickets can be ordered and paid for on ParentPay and we'll be sending out paper booking forms very soon. New prizes added this week include

Christmas at Holland Moor – The Wonderland Grotto

Visits can be booked online at

<https://parents-booking.co.uk/hollandmoor>

Class of the Week. This week it's Class 2M

Class 2M showed an impressive level of creativity, when producing their new art display. Their portraits, inspired by the distinctive style of Picasso, are nothing short of masterpieces and have left everyone thoroughly impressed. In addition to their artistic accomplishments, Class 2M have been deeply engaged in their work on endangered animals, which links to our English story, A Journey Home. This heart-felt tale follows four endangered animals in their desperate quest for a safe and welcoming home, away from the harmful impact of human activity. Class 2M has tackled the tricky task of identifying and describing the properties of 3D shapes, including faces, vertices, and edges. Naming and remembering the characteristics of so many different shapes can be difficult, but their determination and hard work have paid off. Class 2M has had an exceptional week, demonstrating creativity, focus, and enthusiasm. They deserve the title of Class of the Week—well done, 2M!

Our Ninja Words of the Week for Week Beginning November 18

Our words are smirk, pause, scoop, portable and taunt

We'll be revising the words glimpse, ban, envy, generous and hinder

Reception Year Words of the Week for Week Beginning November 18

Vocabulary

Linked to our theme	rangoli
