A Message from Our Sponsor

Despite the challenges presented by the weather conditions we have had a great first week. I am pleased, dare I say proud, that we have not closed the school or reduced the timetable. The children have coped remarkably well without any outside playtimes, remaining calm and focused and showing great respect for each other. I've seen some great work too.

Mr Beale's Highlight of the Week

The children have produced some great pieces of art this week. All classes have been studying the art of Alber Oehlen, an incredibly talented and experimental artist who loves to combine a whole range of media in his works. The corridor displays representing the ways classes have interpreted and responded to his art are magnificent.

Class of the Week. This week it's Class 6S

6S returned to school refreshed and ready for the new term. They worked enthusiastically and produced some excellent responses in a variety of lessons. During this week's Art sessions, the pupils produced some inspirational work inspired by the unconventional pieces of Albert Oehlen, who is considered one of the most influential artists of our time. The children's work involved mixing two primary colours and then using lollipop sticks to create a background. Once this had dried, they added lines and shapes with pen. Their work was both creative and stunning.
