### Welcome and some technical information

Welcome to Newsletter - number 22 of the current school year. All previous newsletters can be found on our school website [www.holland.lancsngfl.ac.uk](http://www.holland.lancsngfl.ac.uk)

### A Message from Our Sponsor

I received many reports of acute traffic congestion last Friday so I've been out on the roadside most evenings this week to take a look. However I must say that on each occasion vehicles have moved fairly freely with just the occasional queue. I'll continue to watch next week too.

### Mr Beale's Highlight of the Week

Our school choir is going really well at the moment. Mr McArdle has chosen some more challenging songs for the term but the singers have responded really well. We choose two soloists each week to sing to others – this week the soloists sang as a pirate captain and a cabin boy. I'm yet to perform solo!

### Breakfast Club

Breakfast Club has been rather too busy this week – so only if really necessary please. All classrooms are open from 0830am

## **Class of the Week. This week it's Class 5C**

This week Class 5C showed fantastic, respectful behaviour, setting a brilliant example for the whole school. They have been working extremely hard in all subjects! Their maths skills have been exceptional this week - they have truly impressed us while calculating missing angles. In geography, their wonderful work on migration has shown how well they understand why people move around the world. They are also doing incredibly well in our science topic on evolution and inheritance, showing a great understanding of how traits are passed down through generations. Miss Cruse describes her class as outstanding and tells me how proud she is of them.
