

# Spanish Vertical Concepts

## **Communication**

Developing pupils ability to understand, interpret, and use the language in conversations, reading, and writing.

## **Vocabulary Development**

Expanding knowledge of vocabulary to include a wider range of topics and expressions.

## **Cultural Awareness**

Children learn about the cultural aspects related to Spanish-speaking communities.

## **Spanish in the Wider World**

Pupils recognise the significance of Spanish as a global language used in various cultures, communities, and international contexts.
