

## A Weekend Update from Holland Moor- June 27 2025

### Welcome and some technical information

Welcome to Newsletter - number 40 of the current school year. All previous newsletters can be found on our school website [www.holland.lancsnqfl.ac.uk](http://www.holland.lancsnqfl.ac.uk)

### A Message from Our Sponsor

Our new uniform order sheets are now available from the school office or can be found on the school website. We have added the new hoodie alternative after the success of the item with year six this year. I think this additional choice modernises our look and also offers a more relaxed but very smart option. The hoodies look great when combined with black or grey track suit bottoms.

### Mr Beale's Non - Highlight of the Week

What a contrast to last week when it was so warm for our sports days. This week we had to postpone each event because of rain and an accompanying saturated field. Please check the list below for the new dates.

### Year Group of the Week – Reception

Our reception pupils had a fun-filled and memorable day at Blackpool Zoo this week. They were praised for their excellent behaviour throughout the trip, representing Holland Moor with pride, good humour and politeness. Adults saw them bursting with excitement, as they explored the zoo, showing great curiosity and enthusiasm, observing and interacting with animals such as playful monkeys, towering giraffes, and roaring lions. Staff described the visit as a fantastic experience, noting how engaged and well-mannered the pupils were during the entire outing.

## **The Holland Moor Virtual Pet Show**

I think we all thoroughly enjoyed the inaugural Holland Moor Pet Show that took place today. We had just twelve entries but it was a joy to see how much the children love their pets and how articulately they can talk about the special relationship they have with them. I loved hearing about the tricks and other antics the pets get up to. All pets and all participants received prizes. A great event.

## **The Holland Moor History Day**

Last Thursday year three and year four had a fantastic time during the Holland Moor History Day which was all about the Battle of Hastings. The children were involved in learning about the events of 1066 and took part in a range of exciting activities. One of the highlights of the day was the re-enactment of the battle, where everyone played a part and we brought history to life. These Holland Moor historians explored the clever trick William of Normandy used to win and held a debate about who should be the next king before voting for Harald Hardrada, Harold Godwinson or William himself. The children also created sketch notes, storyboards and labelled diagrams to show what specifically happened in the battle. It was a brilliant day that made history exciting and memorable for everyone involved.
