

A Weekend Update from Holland Moor- March 27 2026

Welcome and some technical information

Welcome to Newsletter - number 28 of the current school year. All previous newsletters can be found on our school website www.holland.lancsnfl.ac.uk

A Message from Our Sponsor

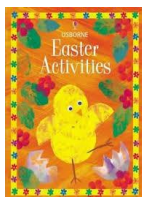

As we wrap up this term, I want to extend a heartfelt thank you to everyone who contributed to making it a success. The enthusiasm, commitment, and support have truly made a difference, and it's been wonderful to see all that we've achieved. Wishing everyone a restful and enjoyable break—well deserved by all. We look forward to welcoming you children back for the summer term, which begins on April 14. Until then, take care and enjoy the time ahead!

Attendance

Our overall attendance this week was a little lower this week at 93%

Easter Bonnets at Holland Moor

It was a great shame that the unpredictable British weather meant we had to cancel the outdoor elements of our Easter Bonnet celebrations, and unfortunately we were unable to welcome parents and carers onsite to share in the event. However, not to be deterred, we enjoyed a fantastic day of replacement celebrations inside school! There will be lots of photographs shared on our Facebook page so you can still enjoy the occasion with us. We held special get-togethers in the school hall, including lively parades, singing, poetry and even a few speeches, as classes proudly introduced their wonderful bonnet creations. The atmosphere was full of energy, creativity and fun—proving that a little rain certainly couldn't dampen our spirits! A huge thank you to everyone who contributed to

making the marvellous bonnets. The children looked absolutely fantastic wearing and parading their creations, and we were incredibly proud of the effort and imagination on display.

Easter Raffle

Lego Tiny Plants	Tyler Wilson	Yellow 989

Mr Beale's Highlight of the Week

HIGHLIGHT OF THE WEEK

It was an absolute pleasure to spend time with Class 5C on Tuesday and see their RE lesson in action, exploring Martin Luther and his 95 Theses. Full marks to Miss Cruse and the entire class for transforming what could have been a rather dry topic into a thoroughly engaging and memorable experience. From energetic quick draws to creative freeze frames, and thoughtful, in-depth discussions with learning partners, the lesson was alive with enthusiasm, curiosity, and excellent learning. A fantastic example of teaching and learning at its very best—well done to all involved!
