

## A Weekend Update from Holland Moor- June 05 2026

### Welcome and some technical information

Welcome to Newsletter - number 36 of the current school year. All previous newsletters can be found on our school website [www.holland.lancsnagl.ac.uk](http://www.holland.lancsnagl.ac.uk)

### A Message from Our Sponsor

A huge thank you to everyone who attended the Holland Moor Arts Evening held at school on Wednesday evening.

Although the weather was not particularly kind, moving the performances into the hall worked really well and helped make the evening a great success. I thought all the singing, acting and dancing was superb, and it was wonderful to see so much talent and enthusiasm on display.

It was especially lovely to see so many families working and creating together in the various art workshops. The soap-carving creations, which were new this year, were fantastic and proved to be a real highlight of the evening.

Thank you to all the pupils, families, staff and volunteers who helped make the event so special. Your creativity, support and hard work made for a memorable celebration of the arts.

### Attendance

Our attendance this week was 91-7%.

### Mr Beale's Highlight of the Week

My personal highlight of the week was that we managed to run a whole school evening event without a single angry neighbour appearing at the door to complain that their car couldn't get out or that access to their driveway had been obstructed!

I am not exaggerating when I say that this has not happened for years.

With so many people attending the Arts Evening, that is quite an achievement in itself. So thank you to everyone for parking considerately and helping the event run smoothly. It may not be the most glamorous success story of the evening, but it was certainly one of the most welcome!

### **A School Visit to Walton Hall Gardens**

KS1 had a fantastic time during their visit to Walton Hall & Gardens! The children loved exploring the beautiful flower gardens and were amazed by the impressive trees on the grounds. They also enjoyed seeing the animals and were especially lucky to spot the peacocks showing off their beautiful, vibrant feathers. We even saw some red squirrels too! The children enjoyed spotting the terrapins and carp in the pond, had lots of fun in the play area, and finished off a wonderful day with a visit to the ice cream van. It was a brilliant day filled with fun, discovery, and lots of smiles!

### **Class of the Week. This week it's Class N2**

This week, in Nursery 2, we have been learning all about frogs. On Monday, we started by role playing the nursery rhyme "Five Little Speckled Frogs," using puppets and actions to put our counting skills into action. Today, we learnt about the life-cycle of a frog. The children discovered that there are four stages to a frogs life; frogspawn, tadpole, froglet and finally frog. At the moment there are tadpoles in the pond at The Beacon, perhaps you may like to go on a frog hunt at the weekend with your children and bring their learning to life!

### **Our KS2 Ninja Words of the Week for Week Beginning June 08**

Our words are arrogant, invade, dumbstruck, ruthless and apparent.

## Reception Year Words of the Week for Week Beginning June 08
